

SOUTH BANGALORE | THE HOTTEST PROPERTY MARKET IN THE CITY

Localities along Kanakapura Road, and Electronic City included, south Bangalore saw the launch of eighty-eight percent of the city's low priced housing projects during the last year. Kanakapura Road in south Bangalore is the residential and commercial corridor that registered exponential growth over the last few years. With limited housing available in the nearby localities such as Banashankari and J P Nagar, demand for mid-range and affordable living space has shot up on this stretch.
